

# Frequently Asked Questions about Registration

## **When is priority registration for Fall 2020?**

April 13 through April 24, 2020

## **How do I know which day I can register?**

Every student will receive a detailed email about the date and time that they can enroll in the upcoming fall semester. You can also visit <http://www.arcadia.edu/registrar> and click on "Registration" for more information.

## **How do I prepare in advance for registration?**

All undergraduate students are required to obtain advisor approval of their courses. Be sure to schedule an appointment with your advisor prior to your registration date. Advisers can meet remotely via email, Zoom, Skype, etc.

Students on Business Office, Library and Health holds will be able to register even though SelfService will list the hold. Please continue with adding items to your cart.

## **How do I register for classes?**

Registration email instructions will be sent out to each student with information on using SelfService.

## **Is it true that all students can register for Fall 2020 in SelfService?**

Yes! Students in their first, second, third or fourth year and graduate students can register on SelfService on their assigned day for Fall 2020.

## **I am in the honors program, do I still register on the first day with a form?**

ALL students are completing their Fall 2020 registration through SelfService. Please check your email from the Office of the Registrar for SelfService registration instructions including date and time for specific groups.

## **What if a class I want to take is full?**

You may choose to waitlist for any full courses. SelfService WILL NOT allow students to waitlist. You must email [registrar@arcadia.edu](mailto:registrar@arcadia.edu) with your adviser's email approval to waitlist for a course. A waitlisted class does not guarantee you a seat in a course.
