Petition for Individualized Minor

Student Name:________________________________________ Arcadia ID: __________

Student’s Email Address:________________________________________________________

Proposed Individualized Minor title:____________________________________________

Please attach a 1 page proposal including a rationale for Individualized Minor (be sure to include not only how your educational and career goals are to be met by this major but also why there are no minors currently available that can meet these needs)

Advisers from each academic department represented in the individualized minor must be involved in the design and implementation of the minor. Approval of the Dean of Undergraduate Studies and the Chair of the Undergraduate Academic Programs Committee is required. Criteria for acceptance include the coherence of the program and its purpose, such as career goal or plans for graduate study in an interdisciplinary area. Students should obtain approval for an individualized minor by the end of the first semester of the student’s junior year.
